Living at Seabrae Manor

Welcome to Seabrae Manor Aged Care – a compassionate, caring community located on the scenic Redcliffe Peninsula. We provide exceptional personalised care to residents at all stages of their care journey.

We offer respite and permanent residential aged care, including a memory support wing so you have peace of mind knowing that your loved one is well cared for by our highly qualified staff.

Our residential rooms have been considerably designed to encompass indoor and outdoor tranquil living, so that residents feel right at home.

Features of our home include:

- Open plan lounge and dining areas
- Coffee hub
- Private dining room for special occasions
- Lifestyle and activities room
- Hairdressing salon
- Landscaped courtyards and outdoor terrace

Accommodation

Our residential rooms are all at ground level and have been designed for both comfort and practicality.

With ceiling to floor windows, each room endures an abundance of natural light and some feature external access to outdoor courtyards and communal gardens.

Our rooms feature:

- Private ensuite
- Flat screen TV
- Built in wardrobe
- 24/7 nurse call system
- Independent heating and air conditioning system with a ceiling fan
- Adjustable electronic bed

Our care to you

We take the time to listen and understand the needs of each individual allowing our dedicated care team to design a holistic, personalised care program for each resident.

We have registered nurses available on site 24/7 and a variety of allied healthcare specialists that visit our

home regularly including physiotherapists, dentists, podiatrists and dietitians.

Our home provides a detailed menu plan for residents to ensure optimum nutrition and our kitchen staff prepare all meals on site, daily with a variety of freshly sourced ingredients.

Facilities and activities

At Seabrae Manor, we support an independent approach to aged care, and encourage residents to get involved in our lifestyle program to make the most out of their day.

Whether a social butterfly, a library lover or an avid gardener, there is something for everyone. We tailor our activities to each individual so that residents can continue doing what they love prior to moving into our home.

We have a strong connection to our neighbour, Grace Lutheran College, and have visits from several local kindergartens to encourage intergenerational engagement and learning for both residents and students.

Some of our most popular lifestyle activities among residents include bus outings, craft, gardening, exercise and movement, music and entertainment, pet therapy and much more.

Our location

Seabrae Manor Aged Care
21 Buchanan Street, Rothwell, QLD 4022
